### Contents

- Spell on Paper
- Dictate Phrases/Sentences

### How to Print

- *With More Words:*
  - **Single-sided only:** Print pages 3-45.
  - **Double-sided (using a duplex printer)**
    - First print pages 3-36 with your printer in duplex mode (flip pages on long edge).
    - Then print pages 37-45 in regular (single-sided) mode.
  - **Both methods**
    - After printing move the Dictate Phrases pages at the end to their proper locations.
- *Without More Words:*
  - Print pages 46-47 as needed for steps 6-24.

### A Note About Scheduling

I use a pencil to draw lines in my Teacher's Manual to break each step into days of teaching that take about 15-20 minutes. Some days combine several activities listed below.

- Review: daily
- New Teaching: 1-2 days
- Spell on Paper: 1 day (sometimes 2-4 days with the More Words section)
- Dictate Phrases: spread out during the step (e.g., 4 phrases each day for a 3-day step)

In our homeschool, we generally cover one lesson per week and one level of [All About® Spelling](#) per year. We begin Level 1 in the 1<sup>st</sup> grade and complete the All About® Spelling program in 7<sup>th</sup> grade. Although this is the case in our family, students can begin Level 1 in any grade and, with the aid of their teacher, work through the levels at their own pace.

*The number of days listed above for each lesson is only a suggestion based on our personal homeschool. Your student may move at a faster or slower pace. I use this page as a quick reference when planning out my school week.*

*All About® Spelling is a mastery program. Each step needs to be mastered before moving on to the next. The exception to this is Level 1: Steps 1, 2, and 3. These have pre-spelling skills that can be worked on simultaneously. In our homeschool we start each of these steps in successive weeks and then do not move on to Step 4 until these have been mastered.*

*Did you know that All About® Spelling has a wealth of [free resources](#) to help you teach spelling? Be sure to download the [Phonogram Sounds App](#) to make sure you and your student are pronouncing the phonograms correctly.*
