How to Print

- **Single-sided only**
 - Print pages 3-82.
- **Double-sided (using a duplex printer)**
 - First print pages 3-58 with your printer in duplex mode, flipping pages on the long edge.
 - Then print pages 59-82 in regular (single-sided) mode.
- **Both methods**
 - After printing move the Writing Station pages to their lesson locations.

A Note About Scheduling

I use a pencil to draw lines in my Teacher's Manual to break each step into days of teaching that take about 15-20 minutes. Some days combine several activities listed below.

- Review: daily
- New Teaching: 1-2 days
- Spell on Paper: 1 day (sometimes 2 days with the More Words section)
- Dictate Sentences: spread out during the step (e.g., 4 sentences each day for a 3-day step)
- Writing Station: 1 day

In our homeschool, we generally cover one lesson per week and one level of [All About® Spelling](#) per year. We begin Level 1 in the 1st grade and complete the All About® Spelling program in 7th grade. Although this is the case in our family, students can begin Level 1 in any grade and, with the aid of their teacher, work through the levels at their own pace.

The All About® Homophones workbook ([print](#) | [ebook](#)) is completely optional. It emphasizes word usage rather than spelling. I purchased the digital version and print the corresponding worksheet when one is available for a set of homophones. Not all homophones covered in All About® Spelling have corresponding worksheets.
